

## Preliminary List of Participants

### INVESTISSEMENT QUÉBEC

Ministry of development of economic, innovation & exportation  
Canada

### TICO ELECTRONICS, SA

Contract Manufacturer specializing in complex assemblies.  
Costa Rica

### HARDIDE COATINGS LIMITED

A range of nanostructured tungsten carbide-based coatings combine exceptional wear and corrosion resistance with toughness and ductility.  
United Kingdom

### SURFACE FINISHING ENGINEERING LIMITED

Specialist supplier of surface treatments and surface treatment process lines and equipment to the aerospace manufacturing sector.  
United Kingdom

### A SQUARE SYSTEMS INC

Plating methods to maximize a particular characteristic: hardness, solderability, color, reflectivity, corrosion resistance  
USA

### ABLE ELECTROPOLISHING COMPANY INC.

Electropolishing, passivating, and other metal finishing services from a 40,000 square ft. facility. Operating 24 hours a day covering a wide array of industries including: aerospace, automotive, medical, and food processing  
USA

### ADVANCED HEAT TREAT CORP.

Advanced Heat Treat Corp. (AHT) is a recognized leader in providing heat treat services and superior metallurgical solutions to companies across the globe.  
USA

### AERODYNAMICS, INC.

AeroDynamics is a state of the art, full-service electroplating finishing company with NADCAP approval. We specialize in the Aerospace, Military, and Defense industries  
USA

### AMERICAN PLATING POWER, LLC

State-of-the-art power supplies globally to electrochemical industries  
USA

### ASAHI AERO AMERICA, INC.

Aircraft Metal Parts ; One Stop Production, Machining, NDT, Shot peening, Anodizing, Plating, Thermal Spray, Paint, Assembly  
USA

## Preliminary List of Participants

### ASSOCIATED RACK CORPORATION (ARC)

Custom Fabricated Finishing, Material Handling, Process Tooling, Racks, Baskets, Carts & Castings

USA

### BODYCOTE

Thermal spray coating application (HVOF, plasma spray), heat treating, vapor phase aluminizing (VPA), platinum plating and other special processes for aircraft engines, landing gear and airframe components.

USA

### BOEING DEFENSE & SECURITY

Systems that combine sophisticated communications networks with air-, land-, sea- and space-based platforms for military and government

USA

### BOWMAN COATING MEASUREMENT INSTRUMENTS

Manufacturer XRF coating measurement instruments

USA

### COLLINS AEROSPACE

One of the world's leading providers of aerospace systems and services for large commercial aircraft

USA

### CORROTEC INCORPORATED

Custom systems based upon your surface finishing requirements

USA

### EAGLEPICHER TECHNOLOGIES, LLC

Defense Battery Power; Aerospace, Medical, Alternative Energy Storage, Energetics, Oil and Gas

USA

### EMINENCE MANUFACTURING INC

Small precision parts for helicopters, fighter jets and commercial jets: aluminum, titanium, steel

USA

### ENGINEERED LUBRICANTS CO

Manufacturer of lubricants, metalworking fluids, rust preventatives and cleaners

USA

### ETEZAZI INDUSTRIES, INC

Manufacturing and Assembly

USA

## Preliminary List of Participants

### FRONTIER GROUP

Frontier Group is a leading provider of metal finishing services to the aerospace & defense industry. Our processes include Chemical Processing, Non-Destructive Testing, and Welding services

USA

### HAWTHORNE FOUNDATION

Hawthorn Foundation is a highly diverse group of Missouri leaders in business, education, economic development, healthcare and labor dedicated to making the state of Missouri stronger

USA

### HI-TECH METAL FINISHING (PART OF MAYDAY MFG)

Provides high quality metal finishing services to the aerospace industry, and automotive manufacturers

USA

### HUBBARD-HALL INC.

As one of the nation's most experienced chemical distributors and manufacturers, Hubbard-Hall reliably handles over 5,000 commodity and specialty chemicals for a wide variety of industrial applications.

USA

### HYGRADE PRECISION TECHNOLOGIES, INC.

Hygrade brings parts into blue print spec for customers. We specialize in grinding and lapping. Metal finishing

USA

### INTEK CORPORATION

Manufacturer of energy-efficient ovens for industrial and commercial process heating, dryers and elements for screen printing, heaters for space heating

USA

### INTELLIFINISHING

IntelliFinishing is a complete flexible finishing system provider for manufacturers and custom coaters.

USA

### LEONARDO DRS

Avionics and Flight Safety. Leonardo DRS is a prime contractor, leading technology innovator and supplier of integrated products, services and support to military forces, intelligence agencies and defense contractors worldwide

USA

## Preliminary List of Participants

### LMI AEROSPACE INC

LMI fabricates, machines, finishes, kits, and assembles machined and formed close tolerance aluminum, specialty alloy, and composite component

USA

### LYNN WELDING

Lynn welding provides all different types of welding services such as GTAW, MIG, SPOT, SEAM and Torch Braze. We are NADCAP and AS9100 certified and we do serve the aerospace, medical and military.

USA

### MAPP TECHNOLOGIES, LLC

Manufacturing critical components to OEM print specifications using specialized process capabilities — from raw materials through machining, welding, coating, assembly and final inspection

USA

### MISSOURI DEPARTMENT OF ECONOMIC DEVELOPMENT

Promotion of Missouri products and services to customers worldwide. Export promotion and trade development.

USA

### MISSOURI ENTERPRISE

Advancing manufacturers with productivity improvement, ISO/quality management and innovative growth services

USA

### PAULO PRODUCTS COMPANY

Heat treatment, brazing, metal finishing

USA

### PEENING TECHNOLOGIES

Shot peening, abrasive blasting and surface enhancement job shop services to the aerospace, automotive, power generation

USA

### RENISHAW INC.

Calibration Equipment; Comparators, Optical and Other; Feedback Devices (Encoders/Resolvers/Scales/Sensors); Flatness Measuring Equipment; Fusion - powder, liquid bed e.g. laser sintering, sterolithography; Gages and Gaging Equipment, Including Stat.

USA

### SAFRAN ELECTRICAL & POWER

Manufacturing and assembly of electrical control panels

USA

## Preliminary List of Participants

### SERFILCO INTERNATIONAL, LTD

Global supplier of liquid handling equipment for chemical, surface finishing and other wet process applications.

USA

### SIFCO, INC

SIFCO Forge is an industry leader in creating performance-critical closed- and open-die forgings for the Aerospace and Energy markets.

USA

### SPECIALTY COATING SYSTEMS US

Parylene conformal coatings systems and technologies

USA

### SPIRIT AEROSYSTEMS INC

Spirit AeroSystems is a manufacturer of aerostructures for commercial airplanes and defense platforms. The company's core products include fuselages, integrated wings and wing components, pylons, and nacelles.

USA

### SURFACE FINISHING ACADEMY

The mission of the International Surface Finishing Academy is to provide high quality educational experiences for the Industrial Surface Finishing industry through our Workshops, Courses, and B2B meetings hosted throughout North America each year

USA

### SURFACEPREP-NEMFI/STRATUS DIVISION

USA

### TALISEN TECHNOLOGIES

Our flexible and scalable systems integrate PLM platforms to support supply chain interoperability and collaboration, digital requirements exchange, model-based systems engineering, and buy-package management.

USA

### THERMAVANT TECHNOLOGIES

Oscillating heat pipe provider. We handle every stage of product development: from basic research and concept design; to prototyping and environmental testing; through full scale manufacturing and quality assurance

USA

## Preliminary List of Participants

### TRUELOGIC COMPANY

A software and services company providing performance, consistency, and quality solutions for select manufacturing processes

USA

### U.S. CHROME

U.S. Chrome has perfected precision hard chrome plating and created a family of composite surface coating applications for industries seeking alternatives for chrome.

USA

### WALGREN COMPANY

Walgren Company is an OEM provider of fully automated plating and metal finishing equipment and Industrial Waste Water Treatment equipment

USA
